Rate Change Effective 11/1/2016 for New Business and 1/1/2017 for Renewals

Pro General is scheduled to have a rate increase for most coverages effective November 1, 2016. This is based on many factors that are plaguing the Florida private passenger risks including rising loss costs, rising frequency of accidents based on more drivers on the road, and rising medical costs.

Pro General is taking this action to remain a viable yet competitive auto program for your non-standard insureds.
